

LIFE QUICK REQUEST

3 SIMPLE STEPS TO SELLING TERM LIFE INSURANCE

1

You collect basic information from the client and submit it *online or via fax* to your General Agency.

2

Genworth then does the rest:

- Contacts the customer within 24 hours
- Gathers the remaining information to complete the application
- Determines the right forms to use
- Schedules the parameds

3

You deliver the policy and pick up your commission. Genworth will provide real-time updates to your agency throughout the process to help you keep your clients informed.

Take advantage of improved issue times, higher case placements and increased productivity.

• **REDUCE CYCLE TIMES**

Cases are processed **10 days faster than the traditional application**, on average.

• **HELP IMPROVE CASE PLACEMENTS**

Placement ratios may jump 8 to 10% — this could have real impact on your bottom line.

• **INCREASE PRODUCTIVITY**

Life Quick Request simplifies the application process. You'll fill out a **2-page form** instead of the 13-page application, freeing up your time to sell more life insurance.

Competitive rates plus Life Quick Request make Genworth a preferred carrier for term insurance.
