

Milestone MYGA 5 rates increase to up to 3.00% starting December 1, 2021

This is great news for clients who want to lock in a higher 5-year guaranteed rate of interest — with no exposure to market risk. Milestone MYGA offers clients a choice of competitive interest crediting for 3, 4, 5, 6 and 7 years, plus:

- 10% penalty-free withdrawals beginning contract-year two
- Issue availability through age 90
- Full account value payable at death

National Rates

Premium Levels	3-Year*	4-Year*	5-Year*	6-Year*	7-Year*
\$100,000+	2.30%	2.35%	3.00%	2.75%	2.85%

Important commission information for all MYGA applications

Sagicor implemented a permanent commission change for MYGA applications signed October 2, 2021 and later. Paper applications and eApplications (electronically signed and submitted through Sagicor’s Producer Portal or distributor Firelight platform) will now pay commissions at different rates.

- **eApplication commission rates will be .50% HIGHER** than paper applications.
- **Paper application commission rates will be reduced by .15%** from the current commission rates.

Your commission schedule is available on the [producer portal, www.SagicorAgent.com](http://www.SagicorAgent.com).
